Ad-hoc days

£102.60 per day for children under 3, £90.72 per day for children over 3. Places are subject to availability.

Discounts

Sibling – A 10% sibling discount will be given to the eldest child

Full-time – If your child does not receive any funding and attends five full days per week a 10% full time has already been applied to the prices published.

How are your fees calculated?

- If your child does not get Early Years Funding, we work out the total cost for the whole year and split it into 12 equal monthly payments.
- If your child gets Early Years Funding, your bill is based on the sessions they attend. This means the amount may change each month, for example because some months have more days than others.
