Everyday Essentials

Our Everyday Essentials are to provide your child with:

- **Catering** Providing food in a day nursery includes not just the meals themselves, but also the safe management of allergies, tailored menu planning to meet diverse dietary needs, adherence to nutritional standards, and rigorous food safety compliance — all of which require trained staff, regular audits, and additional resources. These essential measures ensure every child's wellbeing. Includes Breakfast, cooked Lunch & Tea with vegetarian and vegan options, snacks throughout the day.
- **Care Products** Suncream, Wipes, Hand Sanitiser, Disposal of Nappies
- **Enrichment Experiences** We provide children with valuable opportunities to connect with the wider community through educational visits and trips, including multigenerational experiences, visits to the local library, high street, and other places of significance. To ensure the highest standards of safety and care during these outings, we are required to maintain additional staff-to-child ratios, which is why an extra contribution is requested. In addition to off-site experiences, we also welcome community members into the nursery to foster meaningful interactions and on-site learning opportunities.
